The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**OPERATION OF THE TECHNICAL LIBRARY
SUPERVISORIAL DISTRICT 5
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the operation of the Technical Library can be more economically performed by an independent contractor than by County employees.
2. Award the contract for Operation of the Technical Library in the annual sum of \$69,992 to Libraries, Inc., d.b.a. Library Associates, located in Beverly Hills, California, and instruct the Mayor to execute the contract. This contract will be for a period of one year commencing on November 1, 2006, with two 1-year renewal options, not to exceed a total contract period of three years. Funds are now available in the Internal Service Fund.
3. Authorize the Director of Public Works to renew this contract for each additional renewal option, if, in the opinion of the Director, renewal is warranted; to grant month-to-month extensions in the final contract term not exceeding a total of six months, for the convenience of the County; and to terminate it, if, in the opinion of the Director, it is in the best interest of the County to do so.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Since 1997, Public Works has been contracting for library service. The current contract expires on October 31, 2006. The Technical Library allows Public Works professional engineering staff convenient and centralized access to specialized reference and research materials. The Technical Library also participates with public and private sector libraries specializing in engineering and related disciplines so that essential research materials are readily accessible for staff to make timely and informed decisions and recommendations.

Implementation of Strategic Plan Goals

The award of this contract is consistent with the County Strategic Plan Goals of Organizational Effectiveness and Fiscal Responsibility. This contract will improve internal operations through the utilization of this contractor's expertise to effectively provide this service in a timely, responsive, and cost-effective manner.

FISCAL IMPACT/FINANCING

This contract is for an annual amount not to exceed \$69,992. This amount is based on the annual price quoted by the contractor. This contract will commence on November 1, 2006, for a period of one year, not to exceed a total contract period of three years.

Funds for this service are available in Public Works' 2006-07 Internal Service Fund. Funds to finance the contract's renewal years will be made available through Public Works' annual budgeting process. There will be no impact on net County cost.

Public Works has calculated the cost-effectiveness of contracting for this service using methods approved by the Auditor-Controller. The cost analyses, required by Proposition A, demonstrates that the recommended contract will result in County cost savings estimated to be \$15,738 annually over the potential three-year contract term (Enclosure A). Based on this cost savings, Public Works has determined that this service can be more economically performed by an independent contractor than by County employees.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The enclosed contract has been executed by the contractor and approved as to form by County Counsel.

This work is being contracted in accordance with procedures authorized under County Charter Section 44.7, Part 3, and Chapter 2.121 (Contracting with Private Business) of the Los Angeles County Code. The mandatory requirements for contracting set forth in County Code Section 2.121.380 have been met.

Since this is a Proposition A contract, Public Works has determined that the contractor complies with the requirements of the Living Wage Program (Los Angeles County Code Chapter 2.201) and agrees to pay its full-time employees providing County services a living wage.

Public Works has accessed available resources to review and assess the proposed contractor's past performance, history of Labor Law violations, and prior performance on County contracts.

ENVIRONMENTAL DOCUMENTATION

This recommended contract does not constitute a project as defined by the California Environmental Quality Act (CEQA) and, therefore, is not subject to the provisions of CEQA.

CONTRACTING PROCESS

On June 11, 2006, Public Works solicited proposals from 49 independent contractors and community business organizations. Also, a notice of the Request for Proposals (RFP) was placed on the County's bid website (Enclosure B), and an advertisement was placed in the *Los Angeles Times*.

Pursuant to the applicable Memorandum of Understanding, the RFP of this contracted services was submitted on July 10, 2006, to the Local 660 Union for review before being released to the public. The Union declined to meet with Public Works.

On August 3, 2006, one proposal was received. The proposal was first reviewed to ensure it met the mandatory requirements outlined in the RFP. Having met these mandatory requirements, the proposal was then evaluated by an evaluation committee consisting of Public Works staff. The committee's evaluation was based on criteria described in the solicitation document, which included the proposal price, references, experience, work plan of action, and ability to comply with all State and Federal labor regulations and record keeping requirements. Based on this evaluation, the committee found Libraries, Inc., d.b.a. Library Associates, located in Beverly Hills, California, to be

a responsive and responsible proposer. The proposed price was also found to be reasonable.

Enclosure C reflects the minority participation of the proposers. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

Proof of the required Comprehensive General and Automotive Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is started.

As requested by your Board, the contractor has submitted a safety record, which, in our opinion, reflects the activities conducted by this firm in the past have been according to reasonable standards of safety.

This contract contains Board-approved contract terms and conditions regarding current and new employee notification of the Federal-earned income tax credit, agreement to maximize to the extent possible the use of recycled-content paper products, contractor responsibility and debarment, jury service requirements, no payment for services received after contract expiration or termination, and the Safely Surrendered Baby Law.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that this contractor will not be requested to perform services that will exceed the contract's approved amount, scope of work, and/or terms.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees as we are presently contracting for this service with the private sector.

The Honorable Board of Supervisors

CONCLUSION

Enclosed are three copies of the contract. Upon approval, please return the Contractor Execute and Department Conform copies to this office. The original Board Execute copy should be retained for your files.

B. Work Location

County of Los Angeles Department of Public Works Headquarters Complex, 900 South Fremont Avenue, Alhambra, California 91803.

C. Work Description

The County reserves the right to determine if any work is or will be needed under this Contract, at the County's sole and absolute discretion. The Contractor will not be entitled to any claim for loss profits or otherwise, should the County fail to determine a need for services under this Contract.

The Librarian shall be required to independently operate Public Works Technical Library. The Librarian shall possess the qualifications stated in Exhibit E, Job Description. The Librarian shall perform, but not be limited to, the duties listed in Exhibit F, Job Duties.

Public Works requires, as much as possible, i.e., except for vacations, sick leave, etc., one qualified Librarian, assigned on a permanent basis to perform these duties.

D. Cataloging Specifications

The Technical Library collection has been developed as a vital, proactive resource to support and anticipate the information needs of Public Works employees. The Technical Library actively collects and provides access to current materials (reports, books, periodicals, audio and video cassettes, legal publications on compact disk, etc.). The Technical Library also serves as an archive/depository for historical materials generated by Public Works and its predecessor departments.

To that end, all materials both historical and current are cataloged using the standard conventions of cataloging defined by Library of Congress classification and subject headings and AACR II Cataloging Rules. The Technical Library's

catalog is maintained on the INMAGIC program and includes an automated catalog and supports numerous other library functions, including serial management and routing, material orders, and research request tracking.

E. Overtime

Overtime may be allowable only if authorized in writing in advance by the Administrative Services Division Chief.

F. Hours and Days of Service

Public Works Headquarters is on an alternate work schedule. Currently the facility works a 4/40 work week. Therefore, the Librarian's hours of services shall be 6:45 a.m. to 5:30 p.m., Monday through Thursday, each week, except legal holidays. Contractor shall ensure that all required State labor law and procedures are observed for permitting employees to work daily shifts greater than eight hours without paying overtime. Work hours may be altered, when necessary, with the approval of the Director.

G. Special Safety Requirements

Contractor's Librarian shall be expected to observe all applicable State of California Occupational Safety and Health Administration (Cal/OSHA) and Public Works' safety requirements while at Public Works facilities.

H. Responsibilities of the Contractor

Contractor shall furnish a librarian who meets the minimum requirements outlined in this Exhibit, Scope of Work; Exhibit E, Job Description; and Exhibit F, Job Duties. Contractor shall provide a substitute librarian with no reduction in the provision of professional library services for Technical Library, if a librarian is not available or is unable to perform these services.

When requested, the Contractor shall refer qualified librarians to the Contract Manager for interviews to confirm each referred librarian's qualifications and experience are suitable for performing duties in the Technical Library.

I. Remedy of Assignment of Unqualified Personnel

If, in Public Works' sole judgment, the Contractor's Librarian is not meeting or does not meet this Contract's minimum standards or is determined to be unsuitable for the Technical Library, the Contractor shall immediately replace said librarian with a librarian possessing the required skills.

J. Responsibilities of Public Works

Public Works will:

1. Determine the need for and provide a review of the Librarian's performance.

K. Liquidated Damages

1. In any case of the Contractor's failure to meet certain specified performance requirements, the County may, in lieu of other remedies provided by law or the Contract, assess liquidated damages in specified sums and deduct them from any regularly scheduled payment to the Contractor. However, neither the provision of a sum of liquidated damages for nonperformance or untimely or inadequate performance nor the County's acceptance of liquidated damages shall be construed to waive the County's right to reimbursement for damage to its property or indemnification against third-party claims.
2. The amounts of liquidated damages have been set in recognition of the following circumstances existing at the time of the formation of the Contract:
 - a. All of the time limits and acts required to be done by both parties are of the essence of the Contract;
 - b. The parties are both experienced in the performance of the Contract work;
 - c. The Contract contains a reasonable statement of the work to be performed in order that the expectations of the parties to the Contract are realized. The expectation of the County is that the

work will be performed with due care in a workmanlike, competent, timely, and cost-efficient manner while the expectation of the Contractor is a realization of a profit through the ability to perform the Contract work in accordance with the terms and conditions of the Contract at the Proposal price;

- d. The parties are not under any compulsion to contract;
 - e. The Contractor's acceptance of the assessment of liquidated damages against it for unsatisfactory and late performance is by agreement and willingness to be bound as part of the consideration being offered to the County for the award of the Contract;
 - f. It would be difficult for the County to prove the loss resulting from nonperformance or untimely, negligent, or inadequate performance of the work; and
 - g. The liquidated sums specified represent a fair approximation of the damages incurred by the County resulting from the Contractor's failure to meet the performance standard as to each item for which an amount of liquidated damages is specified.
3. The Contractor shall pay Public Works, or Public Works may withhold and deduct from monies due the Contractor, liquidated damages in the sum of the hourly rate for each consecutive hour that the Contractor (Librarian) fails report to work and/or to complete work in the prescribed method and within the agreed time frame.

2. Shareholders, partners, members, or other equity holders of the Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of the Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Contract, such disposition is an assignment requiring the prior written consent of the County in accordance with applicable provisions of this Contract.

3. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the County's express prior written approval, shall be a material breach of this Contract, which may result in the termination of this Contract. U. Subcontracting

1. No performance of this Contract or any portion thereof may be subcontracted by the Contractor without the express written consent of the Director, at the Director's sole and absolute discretion. X. Record Retention and Inspection/Audit Settlement

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks, or other proof of payment, timecards, sign-in/sign-out sheets, and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in the County, provided that if any such material is located outside the County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

1. In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within 30 days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
2. Failure on the part of the Contractor to comply with any of the provisions of this paragraph X shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
3. If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds

that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

4. In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in its sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program; the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County contracts. The Contractor further acknowledges that the foregoing requirement in this subsection X.4 relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County, in its discretion, to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets, and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in the County, provided that if any such materials and information is located outside the County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

Y. Validity

If any portion, provision, or part of this Contract is held, determined or adjudicated to be invalid, unenforceable, or void for any reason whatsoever, each such portion, provision, or part shall be severed from the remaining portions, provisions, or parts of this Contract, and (to the extent allowed by law) shall not affect the validity or enforceability of such remaining portions, provisions, or parts.

Z. Waiver

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach of such provision. Failure of the County to enforce at anytime, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

AA. Default and Termination

1. Default

- a. The County may, subject to the provisions of subsection c (pertaining to defaults of subcontractors) below, by written notice of default to the Contractor, terminate the whole or any part of this Contract in any one of the following circumstances:
 - i. If the Contractor has materially breached this Contract; or
 - ii. If the Contractor fails to perform the work within the time specified herein or any extension thereof; or
 - iii. If the Contractor fails to perform any of the other provisions of this Contract or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of five working days (or such longer period as the County may authorize in writing) after receipt of notice from the County specifying such failure.
- b. In the event the County terminates this Contract in whole or in part pursuant to this Subsection, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated, and the Contractor shall be liable to the County for any excess costs for such similar goods and services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this clause.
- c. Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of the Federal or State government in its sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight

embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the negligence of either of them, the Contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.

- d. If, after Notice of Termination of this Contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause or the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued pursuant to this Exhibit's Section 2.AA.3, Termination for Convenience.
- e. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- f. As used herein, the terms "subcontractor" and "subcontractors" mean persons, companies, corporations, or other organizations furnishing supplies, services of any nature, equipment, or materials to Contractor, at any tier, under oral or written agreement.

2. Default for Insolvency

The County may terminated this Contract forthwith for default in the event of the occurrence of any of the following:

- b. The filing of a voluntary petition to have the Contractor declared bankrupt.
- c. The appointment of a Receiver or Trustee for the Contractor.
- d. The execution by the Contractor of an assignment for the benefits of creditors.

- e. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

3. Termination for Convenience

It is not the intent of the County to terminate this Contract before the completion of all items except for sound business reasons of which the County shall be the sole judge; however, and notwithstanding:

- a. The County may at any time terminate this Contract, or any portion thereof, without liability (except as hereinafter provided) by delivering to the Contractor written notice specifying the desired termination date at least 30 days in advance thereof.
- b. If this Contract is terminated, the Contractor shall, within 30 days of the Notice of Termination, complete those items of work which are in various stages of completion, which the Director determines are necessary to bring the work to a timely, logical, and orderly end. Reports, samples, and other materials prepared by the Contractor under this Contract shall be delivered to the County upon request and shall become the property of the County.

4. Termination for Breach of Warranty to Maintain Compliance with County's Child Support Requirements

Failure of the Contractor to maintain compliance with the requirements set forth in this Exhibit's Section 2.F, "Contractor's Warranty of Adherence to County's Child Support Compliance Program" shall constitute a default by the Contractor under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure to cure such default within 90 calendar days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the Board may terminate this Contract pursuant to Paragraph AA.1 "Default," of this Section 2, and debar the Contractor pursuant to County Code Chapter 2.202.

BB. Notification

Notices desired or required to be given under these Specifications, Conditions, or Terms herein or any law now or hereafter in effect may, at the option of the party giving the same, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid in the United States Post Office or any substation thereof, or any public box, and any such notice and the envelope containing the same shall be addressed to the Contractor at its place of business, or such other place as may be hereinafter designated in writing by the Contractor. SECTION 5

CONTRACTOR RESPONSIBILITY AND DEBARMENT

- A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.
- B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent, if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.
- C. The County may debar a contractor if the Board finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of a contract with the County or a nonprofit corporation created by the County; (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness, or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

- E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
- F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have

the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

If a contractor has been debarred for a period longer than five years, that contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

- D. If the Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:
 - 1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
 - 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and
 - 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).

The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

SECTION 9

B. Payment of Living Wage Rates

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not an "employer" as defined under the Program (Section 2.201.020 of the County Code) or that Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the employees' services provided to the County, including, without limitation, "Travel Time" as defined below in subsection 5 of this Section 9.B under this Contract:

If, at any time during this Contract, Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits, Contractor shall be required to pay its employees the higher hourly living wage rate.
2. For purposes of this Section, "Contractor" includes any subcontractor engaged by Contractor to perform services for the County under this Contract. If Contractor uses any subcontractor to perform services for the County under this Contract, the subcontractor shall be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Living Wage Program shall be attached to the agreement. "Employee" means any individual who is an employee of Contractor under the laws of California, and who is providing full-time services to Contractor, some or all of which

are provided to the County under this Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If Contractor is required to pay a living wage when this Contract commences, Contractor shall continue to pay a living wage for the entire term of this Contract, including any option period.
4. If Contractor is not required to pay a living wage when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. Contractor shall immediately notify County if Contractor at any time either comes within the Living Wage Program's definition of "employer" or if Contractor no longer qualifies for an exception to the Living Wage Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of this Contract, including any option period. The County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Living Wage Program. Unless Contractor satisfies this requirement within the time frame permitted by the County, Contractor shall immediately be required to pay the living wage for the remaining term of this Contract, including any option period.
5. For purposes of the Contractor's obligation to pay its employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) with respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an employee physically travels to or from a County facility if the Contractor pays the employee any amount for that time or if California law requires the Contractor to pay the employee any amount for that time; and 2) with respect to travel by an employee between County facilities that are subject to two different contracts between the Contractor and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an employee physically travels to, from, or between such County facilities if the Contractor pays the employee any amount for that time or if California law requires the Contractor to pay the employee any amount for that time.

all of Contractor's employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each employee. All certified monitoring reports shall be submitted on forms provided by the County, or any other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operation in California.

E. County Auditing of Contractor Records

1. Upon a minimum of 24 hours' written notice, the County may audit, at Contractor's place of business, any of Contractor's records pertaining to this Contract, including all documents and information relating to the certified monitoring reports.

Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees

Contractor shall place County-provided living wage posters at each of Contractor's place of business and locations where Contractor's employees are working. Contractor shall also distribute County-provided notices to each of its employees at least once per year. Contractor shall translate into Spanish and any other language spoken by a significant number of Employees the posters and handouts.

G. Enforcement and Remedies

1. If Contractor fails to comply with the requirements of this Section, the County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.
2. Remedies For Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to the County after the date it is due, or if the report submitted does not contain all of the required information, is inaccurate, or is not properly certified, any such deficiency shall constitute a breach of this Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding of Payment: If Contractor fails to submit accurate, complete, timely, and properly certified monitoring reports, the County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time. The liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including, but not limited to being late, inaccurate, incomplete, or uncertified, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete, and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.

- c. Termination: Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract.
- 3. Remedies for Payment of Less Than the Required Living Wage: If Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of this Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding Payment: If Contractor fails to pay one or more of its employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due to Contractor the aggregate difference between the living wage amounts Contractor was required to pay its employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to pay any of its employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time. The liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per employee per day for each and every instance of an underpayment to an employee. The County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. Termination: Contractor's failure to pay any of its employees the applicable hourly living wage rate may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract.
- 4. Debarment: In the event Contractor breaches a requirement of this Section, the County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

H. Use of Full-Time Employees

Contractor shall assign and use full-time employees of Contractor to provide services under this Contract unless Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under this Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time employees for services provided under this Contract unless and until the County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time-employee staffing plan. If Contractor changes its full-time-employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to the County.

I. Contractor Retaliation Prohibited

Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any employee, person, or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity, or person. A violation of the provisions of this paragraph may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract.

J. Contractor Standards

During the term of the Contract, Contractor shall maintain business stability, integrity in employee relations, and the financial ability to pay a living wage to its employees. If requested to do so by the County, Contractor shall demonstrate to the satisfaction of the County that Contractor is complying with this requirement.

K. Neutrality in Labor Relations

Contractor shall not use any consideration received under this Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

Department of the Treasury
Internal Revenue Service
Notice 1015

(Rev. December 2005)

**Have You Told Your Employees About the
Earned Income Credit (EIC)?**

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

**Which Employees Must I Notify About the
EIC?**

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note: *You are encouraged to notify each employee whose wages for 2005 are less than \$37,263 that he or she may be eligible for the EIC.*

**How and When Must I Notify My
Employees?**

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2006.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at www.irs.gov.

**How Will My Employees Know If They
Can Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2005 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2005 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2005 and owes no tax but is eligible for a credit of \$799, he or she must file a 2005 tax return to get the \$799 refund.

**How Do My Employees Get Advance
EIC Payments?**

Eligible employees who expect to have a qualifying child for 2006 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

WORK PLAN

Library Associates will provide a full-time professional librarian with an MLS degree from an accredited institution to maintain and administer all operational aspects of the Technical Library. As we have a librarian already working at the DPW, she knows and has been able to work a forty-hour workweek from 6:45 am to 5:30 pm, Monday-Thursday.

Library Associates will provide replacement support if and when the librarian assigned to the Technical library takes vacations or has sick days. Library Associates maintains a staff of librarians who can be assigned to fill in during the regular librarian's absence. Should any of the regular employees not be available, Library Associates has the ability through its resources to recruit and orient a temporary librarian to ensure that the Technical Library's operations are continuous, thereby, ensuring no interruption of services.

The work plan for the librarian assigned to the Technical Library includes the following elements:

RECORD KEEPING

Employee reports to the client's work site location at the beginning of their shift, in this case, to the library at the Department of Public Works (DPW). At DPW's preference, Employee may verbally check in with supervisor at the beginning and end of each shift. On a paper timesheet, Employee records the time work is begun for the day, ended for lunch, begun after lunch, and ended for the day. Employee records hours in this way for every work day that falls within a "pay period." Library Associates has two pay periods per month, one that covers the 1st through the 15th of the month, and another that covers the 16th through the last day of the month. At the final work day of the pay period in question, the Employee has the DPW supervisor verify all time recorded on the timesheet for accuracy and, if the supervisor agrees with all of the information record, both the Employee and the supervisor sign the timesheet. Employee then submits the timesheet via facsimile to Library Associates on the final work day of the pay period. A copy of the Timesheet template is attached.

Our Recruiting Assistant collects all incoming timesheets and looks to make sure the Employee's name, work site location, pay period dates, signature and date, supervisor's signature and all other fields are completed accurately. The Recruiting Assistant also ensures that all the hours worked are totaled correctly for each day and for the pay period. If there are any questions with regard to recorded information on the timesheet, Library Associates immediately calls the Employee and the client supervisor to discuss any questions. If all the information appears accurately recorded, the timesheet is forwarded to the Administrator, who double-checks the timesheet for accuracy and appropriate signatures and then enters the data electronically into GevityHR's website. The timesheet is used as a source document to create our payroll. GevityHR is outsource partner who processes our payroll, benefits, and human resources functions. The Employee's hourly pay rate is entered and the total number of hours worked in the pay period are entered for each pay period, broken down by straight-time, time-and-one-half, and double-time. The system automatically calculates the total pay based on these entries.

After payroll has been submitted to GevityHR on the due date, GevityHR processes our payroll and generates paychecks and direct deposit stubs, which are sent to our office on the 5th and 20th of each month (i.e. "pay day") along with a payroll report. We check the payroll report against each timesheet to ensure accuracy. We then mail via USPS all direct deposit stubs and live paychecks to our employees on the day we receive them. While not mandatory, almost all of Library Associates' employees have signed up for direct deposit. Those that prefer live checks have the option of making arrangements with Library Associates to collect their check in person, but very few employees exercise this option. Most checks and direct deposits stubs are mailed.

Everything is included on the check stub or direct deposit stub as required by law, including but not limited to gross wages and deductions, net wages, federal and state tax withholdings, Medicare, any medical benefits contributions, life insurance, and so forth. All compensation for a given pay period is included on one check or in one direct deposit distribution and is reflected on the stub. For instance, regular time and overtime are included in the same check/direct deposit. This position is paid one rate for regular hours worked, one and one-half times that rate for "time and a half" and two times the rate for "double time" when appropriate. It is anticipated that our Employee will not work overtime for the Librarian position at the Department of Public Works. There is no travel time with this position paid. In addition to the check/direct deposit stub that Employee receives, Employee can log into GevityHR's online system and may view their own pay history, including pay stubs. An actual history (redacted) has been included in our proposal.

The signed timesheet is filed with all other employees' timesheets for that same pay period. Each pay period is filed separately, and Library Associates holds the timesheets for three years. The timesheets are compared against the payroll reports, and after three years, the timesheets are either moved to storage or are shredded. The payroll reports are kept for a period of at least ten years.

There is a section on the timesheet for the employee to mark if a meal period was missed. Additionally, the timesheets list the times for beginning and ending of work, including for a meal period, so we are able to track whether the Employee has taken the appropriate meal breaks.

This position does not have multiple wage rates, and Employee staffed in DPW's Librarian position would work full time only on this assignment and would receive the same hourly wage rate for all time spent performing work.

Part I: Jury Service Program Is Not Applicable to My Business

- ☐ My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). - "Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.
- "Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.
- ☐ My business is subject to a Collective Bargaining Agreement that expressly provides that it supersedes all provisions of the Program. **ATTACH THE AGREEMENT.**

LOS ANGELES COUNTY CODE

Chapter 2.201

Living Wage Program

2.201.010 Findings. The Board of Supervisors finds that the County of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay less than a living wage to their employees causes them to use such services, thereby placing an additional burden on the county of Los Angeles. (Ordinance No. 99-0048 § 1 (part), 1999.)

2.201.020 Definitions. The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

- A. "County" includes the county of Los Angeles, any county officer or body, any county department head, and any county employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.
- B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the county of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a county of Los Angeles owned or leased facility.
- C. "Employer" means:
 - 1. An individual or entity who has a contract with the county:
 - a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the county of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or
 - b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and
 - c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or
 - 2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the county.
- D. "Full time" means a minimum 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the chief administrative officer, but in no event less than 35 hours worked per week. (Ordinance No. 99-0048 § 1 (part), 1999.)

2.201.030 Prospective effect. This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. (Ordinance No. 99-0048 § 1 (part), 1999.)

2.201.040 Payment of living wage.

- A. Employers shall pay employees a living wage for their services provided to the county of no less than the hourly rates set under this chapter. The rates shall be \$8.32 per hour with health benefits, or \$9.46 per hour without health benefits.
- B. To qualify for the living wage rate with health benefits, an employer shall pay at least \$1.14 per hour towards the provision of bona fide health care benefits for each employee and any dependents during the term of a Proposition A contract or a cafeteria services contract. Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.
- C. The Board of Supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section above for future contracts. (Ordinance No. 99-0048 § 1 (part), 1999.)

2.201.050 Other provisions.

- A. Full Time Employees. An employer shall assign and use full time employees to provide services under a Proposition A contract or a cafeteria services contract, unless the employer can demonstrate to the county the necessity to use non-full time employees based on staffing efficiency or the county requirements of an individual job.
- B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an employer's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.
- C. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter. The chief administrative officer in conjunction with the affirmative action compliance officer shall issue written instructions on the implementation and on-going administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.
- D. Compliance Certification. An employer shall, during the term of a Proposition A contract, or a cafeteria services contract, report for each employee and certify the hours worked, wages paid, and amounts the employer paid for health benefits, and provide other information deemed relevant to the enforcement of this chapter by the county. Such reports shall be made at the times and in the manner set forth in instructions issued by the chief administrative officer in conjunction with the affirmative action compliance officer. The affirmative action compliance officer in conjunction with the chief administrative officer shall report annually to the board of supervisors on contractor compliance with the provisions of this chapter.
- E. Contractor Standards. An employer shall demonstrate during the procurement process and for the duration of a Proposition A contract or a cafeteria services contract a history of business stability, integrity in employee relations, and the financial ability to pay a living wage. (Ordinance No. 99-0048 § 1 (part), 1999.)

2.201.60 Employer retaliation prohibited. No employer shall take an adverse action causing a loss of any benefit of employment, of any contract benefit, or any statutory benefit to any employee, person, or other entity, who has reported a violation of this chapter to the board of supervisors or to one or more of their offices, to the county chief administrative officer, or to the county auditor/controller, or to the county department administering the Proposition A contract or cafeteria services contract. (Ordinance No. 99-0048 § 1 (part), 1999.)

2.201.070 Employee retention rights. In the event that any Proposition A contract or cafeteria service contract is terminated by the county prior to its expiration, any new contract with a subsequent employer for such services shall provide for the employment of the predecessor employer's employees as provided in this section.

- A. A "retention employee" is an employee of a predecessor employer:
 - 1. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act;
 - 2. Who has been employed by an employer under a predecessor Proposition A contract or a predecessor cafeteria services contract for at least six months prior to the date of a new contract; and
 - 3. Who is or will be terminated from his or her employment as a result of the county entering into a new contract.
- B. Subsequent employers shall offer employment to all retention employees who are qualified for such jobs.
- ~~C. A subsequent employer is not required to hire a retention employee who:~~
 - 1. Has been convicted of a crime related to the job or his or her job performance; or
 - 2. Fails to meet any other county requirement for employees of a contractor.
- D. A subsequent employer may not terminate a retention employee for the first 90 days of employment under a new contract, except for cause. Thereafter, a subsequent employer may retain a retention employee on the same terms and conditions as the subsequent employer's other employees. (Ordinance No. 99-0048 § 1 (part), 1999.)

2.201.080 Enforcement and Remedies. For violation of any of the provisions of this chapter:

- A. An employee may bring an action in the courts of the State of California for damages caused by an employer's violation of this chapter.
- B. The county department head responsible for administering a Proposition A contract or a cafeteria services contract may do one or more of the following in accordance with such instructions as may be issued by the chief administrative officer:
 - 1. Assess liquidated damages as provided in the contract; and/or
 - 2. Recommend to the board of supervisors the termination of the contract; and/or
 - 3. Recommend to the board of supervisors that an Employer be barred from award of future county contracts for a period of time consistent with the seriousness of the employer's violation of this chapter, not to exceed three years. (Ordinance No. 99-0048 § 1 (part), 1999.)

2.201.090 Exceptions.

- A. **Other Laws.** This chapter shall not be interpreted or applied to any employer or to any employee in a manner inconsistent with United States or California laws.
- B. **Collective Bargaining Agreements.** Any provision of this chapter shall be superseded by a collective bargaining agreement that expressly so provides.

Proposer's costs for insurance, supplies, equipment, overhead, and any other miscellaneous costs are to be shown as requested. These costs, plus the gross labor costs and projected profit, should total to the Proposer's annual price as quoted in Form PW-2, Schedule of Prices.
